

Jim Ferrier at Waratah Golf Club, Cockle Creek, 1949

Newcastle Morning Herald

What is the main figure in this photograph doing? What do you see that suggests this?

Would you expect to see men wearing such formal attire on a golf course these days? Why or why not?

Have you ever played golf? What was this experience like for you? Which is your favourite golf course to play on? Have you ever hit a 'hole-in-one'?
